

Let the world in!

with FLES classes at your school

**French ♦ Spanish ♦ Chinese
for children in K - 6th grade!**

The Foreign Language in Elementary Schools Program (FLES) provides quality before and after school instruction in Spanish, Mandarin Chinese and French. Classes are coordinated through the PTAs with the cooperation of the Montgomery County Public School System. FLES is a program of MCCPTA Educational Programs Inc, a non-profit organization partnering with PTAs since 1975.

Why should children participate in FLES?

- Children have a natural ability for language acquisition – so now is the time to begin!
- FLES classes are held right at your school and they are lively, fun and educational!
- Children sing, play games, play-act, read, write and speak entirely in the target language during each class
- FLES teachers are native speakers who share their customs and traditions with their students
- FLES generates an interest in other cultures
- FLES builds confidence and provides a firm foundation for the continued study of languages in middle and high school
