Dear 5th grade Parents,

My name is Ines Wong, I am the Yearbook Coordinator. I am in the process of creating this year's year book and I need you and your child(ren)'s help.

From **YOU, the parent**: I need a baby picture of your child. You can send the picture electronically with his/her name and indicate which class he/she is in.

Student Name: _____ Teacher: _____

From **your KID(s)**, answers to the following questions:

1 – What would I like to be when I grow up? _____

2 – My favorite memory of Greenwood is _____ (short phrase)

3 – My favorite thing is _____ (book, sport, song or movie), please indicate which category.

You can send all the above electronically or backpack express to me. **Please send all things to me by Feb 4 , 2012**

If you are sending to me electronically, my email address is in3sgreen2@yahoo.com. The picture needs to be .jpg file please.

If you are sending to me through backpack express, please put this flyer plus the baby picture in a sealed envelope marked: YEARBOOK with student name and teacher name. You can either give this to your child's teacher to put at the front office or you can do it yourself. I will put a box/envelope marked YEARBOOK at the front office.

Be on the lookout for order forms. They will be coming out soon and we want every fifth grader to have a chance at getting a book to remember his or her great time at Greenwood.

Thanks,
Ines Wong
